

TIME Minutes

Date: April 12, 2006

Location: Capital University of Medicine Sciences, Beijing, China

Present: John Clark, Xiaohong Gao, Theodore Kalamboukis, Chiang Lin, Shuqian Luo, Guohong Zhou

1. Gao summarised the work carried out over the first year of the TIME project and appraised all the partners' esteemed contributions.
2. Gao suggested joining the forthcoming EuroPACS event in June of Trondheim, Norway. Luo and Lin requested that Gao pay for their registration fees in one go, which Gao agreed to.
3. Clark presented the topic of the talk he was going to give to the CUMS in the afternoon.
4. Kalamboukis explained his research work on multi-lingual medical image retrieval to the Chinese partners and proposed to extend his work with the inclusion of Chinese languages.
5. Luo gave details of the schedule he had planned for the team while staying in Beijing.
6. Lin described the time-table for visiting Fuzhou after the Beijing meeting.
7. The dates for the next MIT conference to be held in Beijing next year was initially agreed to be August 14-16, 2007. However, the location was to be confirmed by Luo who had to see if Fragrant Hill Park was available.
8. Other business: Gao would visit a SME company specialised in PACS in Shenyang as part of background study. The company information was given by Ms Alison Birkett from the EU office of Beijing to see if any collaboration could be formed.
9. Date of next meeting: June. 2006, Trondheim, Norway.
