

Warehousing Images in the Digital Hospital: Interpretation, Infrastructure, and Integration

# WIDTH Newsletter

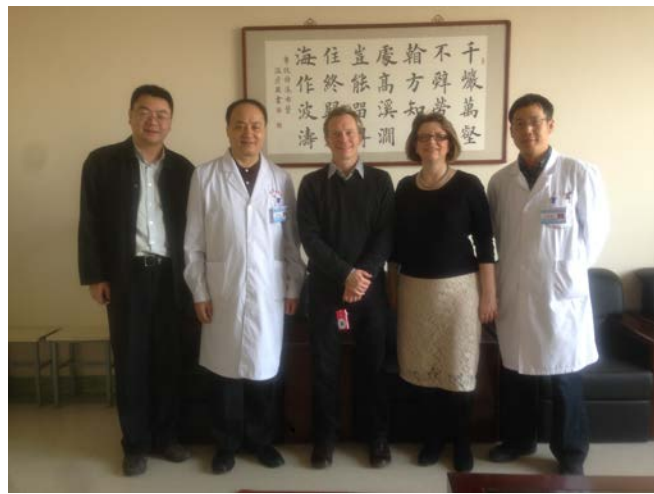

November 2014  
Edition: 29

## Middlesex University Visiting China

Towards the end of WIDTH project, two members, Mr. Michael Butterworth and Ms. Louise Story, of WIDTH management team from the coordinator institute visited China to conduct field study researching the benefit of WIDTH project to the Chinese partners in the form of questionnaire. They visited a number of Chinese partners and collected some datasets.

## Visiting Middlesex University Visiting China

From the November to the beginning of December, Prof. Xiaoguang Shao and Ms. Ruomei Wang from

**Warehousing Images in the Digital Hospital: Interpretation, Infrastructure, and Integration**

China visited Middlesex University, UK.

In addition to the discussion of research work related to the WIDTH project, they also embark a few networking activities by visiting University of Cambridge at Cambridge and Greenwich Observatory in London.
